13) The law on the subject is laid down as follows:--

(1) In the absence of any custom or usage to the contrary, the rights and liabilities of the manager of an endowment are those of the guardian of a minor's estate, that is to say, he may incur debts, charge or alienate the corpus of an endowment if justified by legal necessity or its benefit.

(2) Property belonging to an endowment may be attached and sold in execution of a decree against the manager as such.

(3) Any person interested in the endowment may sue to set aside an improper alienation of its property by the manager.

(4) Any person suing to enforce an alienation made by the manager must prove both its factum and necessity.

Explanation. 1.--The term "manager" in clause (1) includes any person actually filling that character whatever may be the defect in his appointment, and means and includes the Head of a Mutt also.

14) There is great risk involved in the proposal of the Deputy Commissioner. He ought naturally to have sought permission before making the first payment. As the Government have not sanctioned it, it may well be argued that his action would not be binding on the present manager viz., the Govt. In a case of this nature, it is advisable that he should leave to the permanent

I have the honor to submit herewith copies of correspondence - ending with letter C.C.No.1052/Rev.22-23 dated 30th March 1924 from - the Deputy Commissioner, Shimoga District, requesting formal sanction to the action taken by him in having authorised the payment of a sum of Rs.1000/- towards the liquidation of the loan of Rs.14000/- contracted by the late Swamiraju of the Sheelanahatte Matha, an institution -- under temporary management of Government with the undivided members of the Kavali family at Thirthahalli. A copy of the document executed by B the late Swamiraju is also enclosed. The Deputy Commissioner states that as the amount borrowed was for the benefit of the Matha, he ---- authorised payment to avoid delay in the satisfaction of the claim.

2. No intimation was given to me about the payment of the instalment with an over due interest of Rs.44-12-0 in August last in addition to a further instalment paid last month. The institution being under temporary management of Government and the funds having been credited to the credit of the matha in the Treasury and a final settlement not having been arrived at as to whether the loan was raised for legitimate ---- purposes of the Matha, the Deputy Commissioner should have in the first -- to have obtained the previous sanction of Government and not effected the payment on a preaudited bill.

3. In view of the circumstances explained in the letter, I ---

action taken by the Deputy Commissioner may kindly be ratified.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.C.C.1052/Rev..23-23dated 30th March 1924 from the Deputy Commissioner Shimoga District to the Musrai Commissioner in Mysore.

"With reference to your No.C.862 of 23-24 dated the 22nd ultimo, calling for further information re: the paymnet of the instalment of -- Rs.1,000/- towards the debt contracted by the late Swamigalu, of the Sri Bheemanakatte matha, Thirthahalli Taluk, I have the honor to submit herewith a copy of the document executed by the said Swamigalu and to state as follows:--

2. It is seen from the copy of the document that the late Swamigalu and his predecessor borrowed, from time to time, several amounts from the undivided members of the Javali family at Thirthahalli, to meet the "Nitya Niymittika expenses as well as to improve the lands of the Mutt and pay the Kandayam thereon."

3. The total liabilities of the Matha towards the Javali family stood at Rs.15,861-13-0 on the 10th May 1917, out of which, the creditors consented to waive, in favour of the Matha, the sum of Rs.1,861-13-0 reducing thereby the total liability to Rs.14,000/- on the said date. The document further stipulates that the Swami and his successors to the Peetha should repay the sum of Rs.14,000/- in fourteen instalments of Rs.1,000/- each payable every "Magha bahula Amavasya" (this year, 5th March 1924) and -- failing which, the instalment should be paid withoverdue interest thereon, at 12 annas for every hundred ruppees per month, from the date of default to the date of payment.

4. The amount at the credit of the institution is reported to be -- Rs,2,839-7-6.

5. As the amount borrowed is ascertained to have been for the benefit of

of the Matt, the liability is binding on the successors of the late Swamiyalu and in the above view, as Trustee of the Matt properties, pending the nomination of a recognised successor to the Peetha, I authorised the payment of the instalment of Rs.1000/- that fell due in 1923, and the same was paid in August last, together with the overdue interest of Rs.44-12-0.

6. To avoid delay in the satisfaction of the claim, I have ----- similarly authorised payment of the amount, with overdue interest up to date of payment, as in the previous year.

7. I request, therefore, that, under the circumstances explained above, my action may kindly be ratified."
